Description

Mini Goby is a new plastic goby imitation that is much smaller than those found in our [Goby Series](#). This bait was requested by many anglers looking for a goby bait designed for ice fishing. Mini Goby measures 2.25" in length, making it an ideal bait for panfish, whitefish and fish requiring a smaller presentation than normal. As usual, this bait includes all the unique features of a custom bait.

- **2.25" mini size** is ideal for panfish or finicky fish requiring a smaller presentation
- **Soft plastic** give this small bait extra movement
- **Goby-like design** gives this a more realistic look to fish

- Ideal for **tipping** other baits such as ice jigs
- Signature Grumpy face seduces fish into an aggressive, **dominant strike**
- Loaded with our signature **Grumpy sauce!**
- Loaded with hand-ground, **sea salt** so fish hang on longer
